THE ECHO

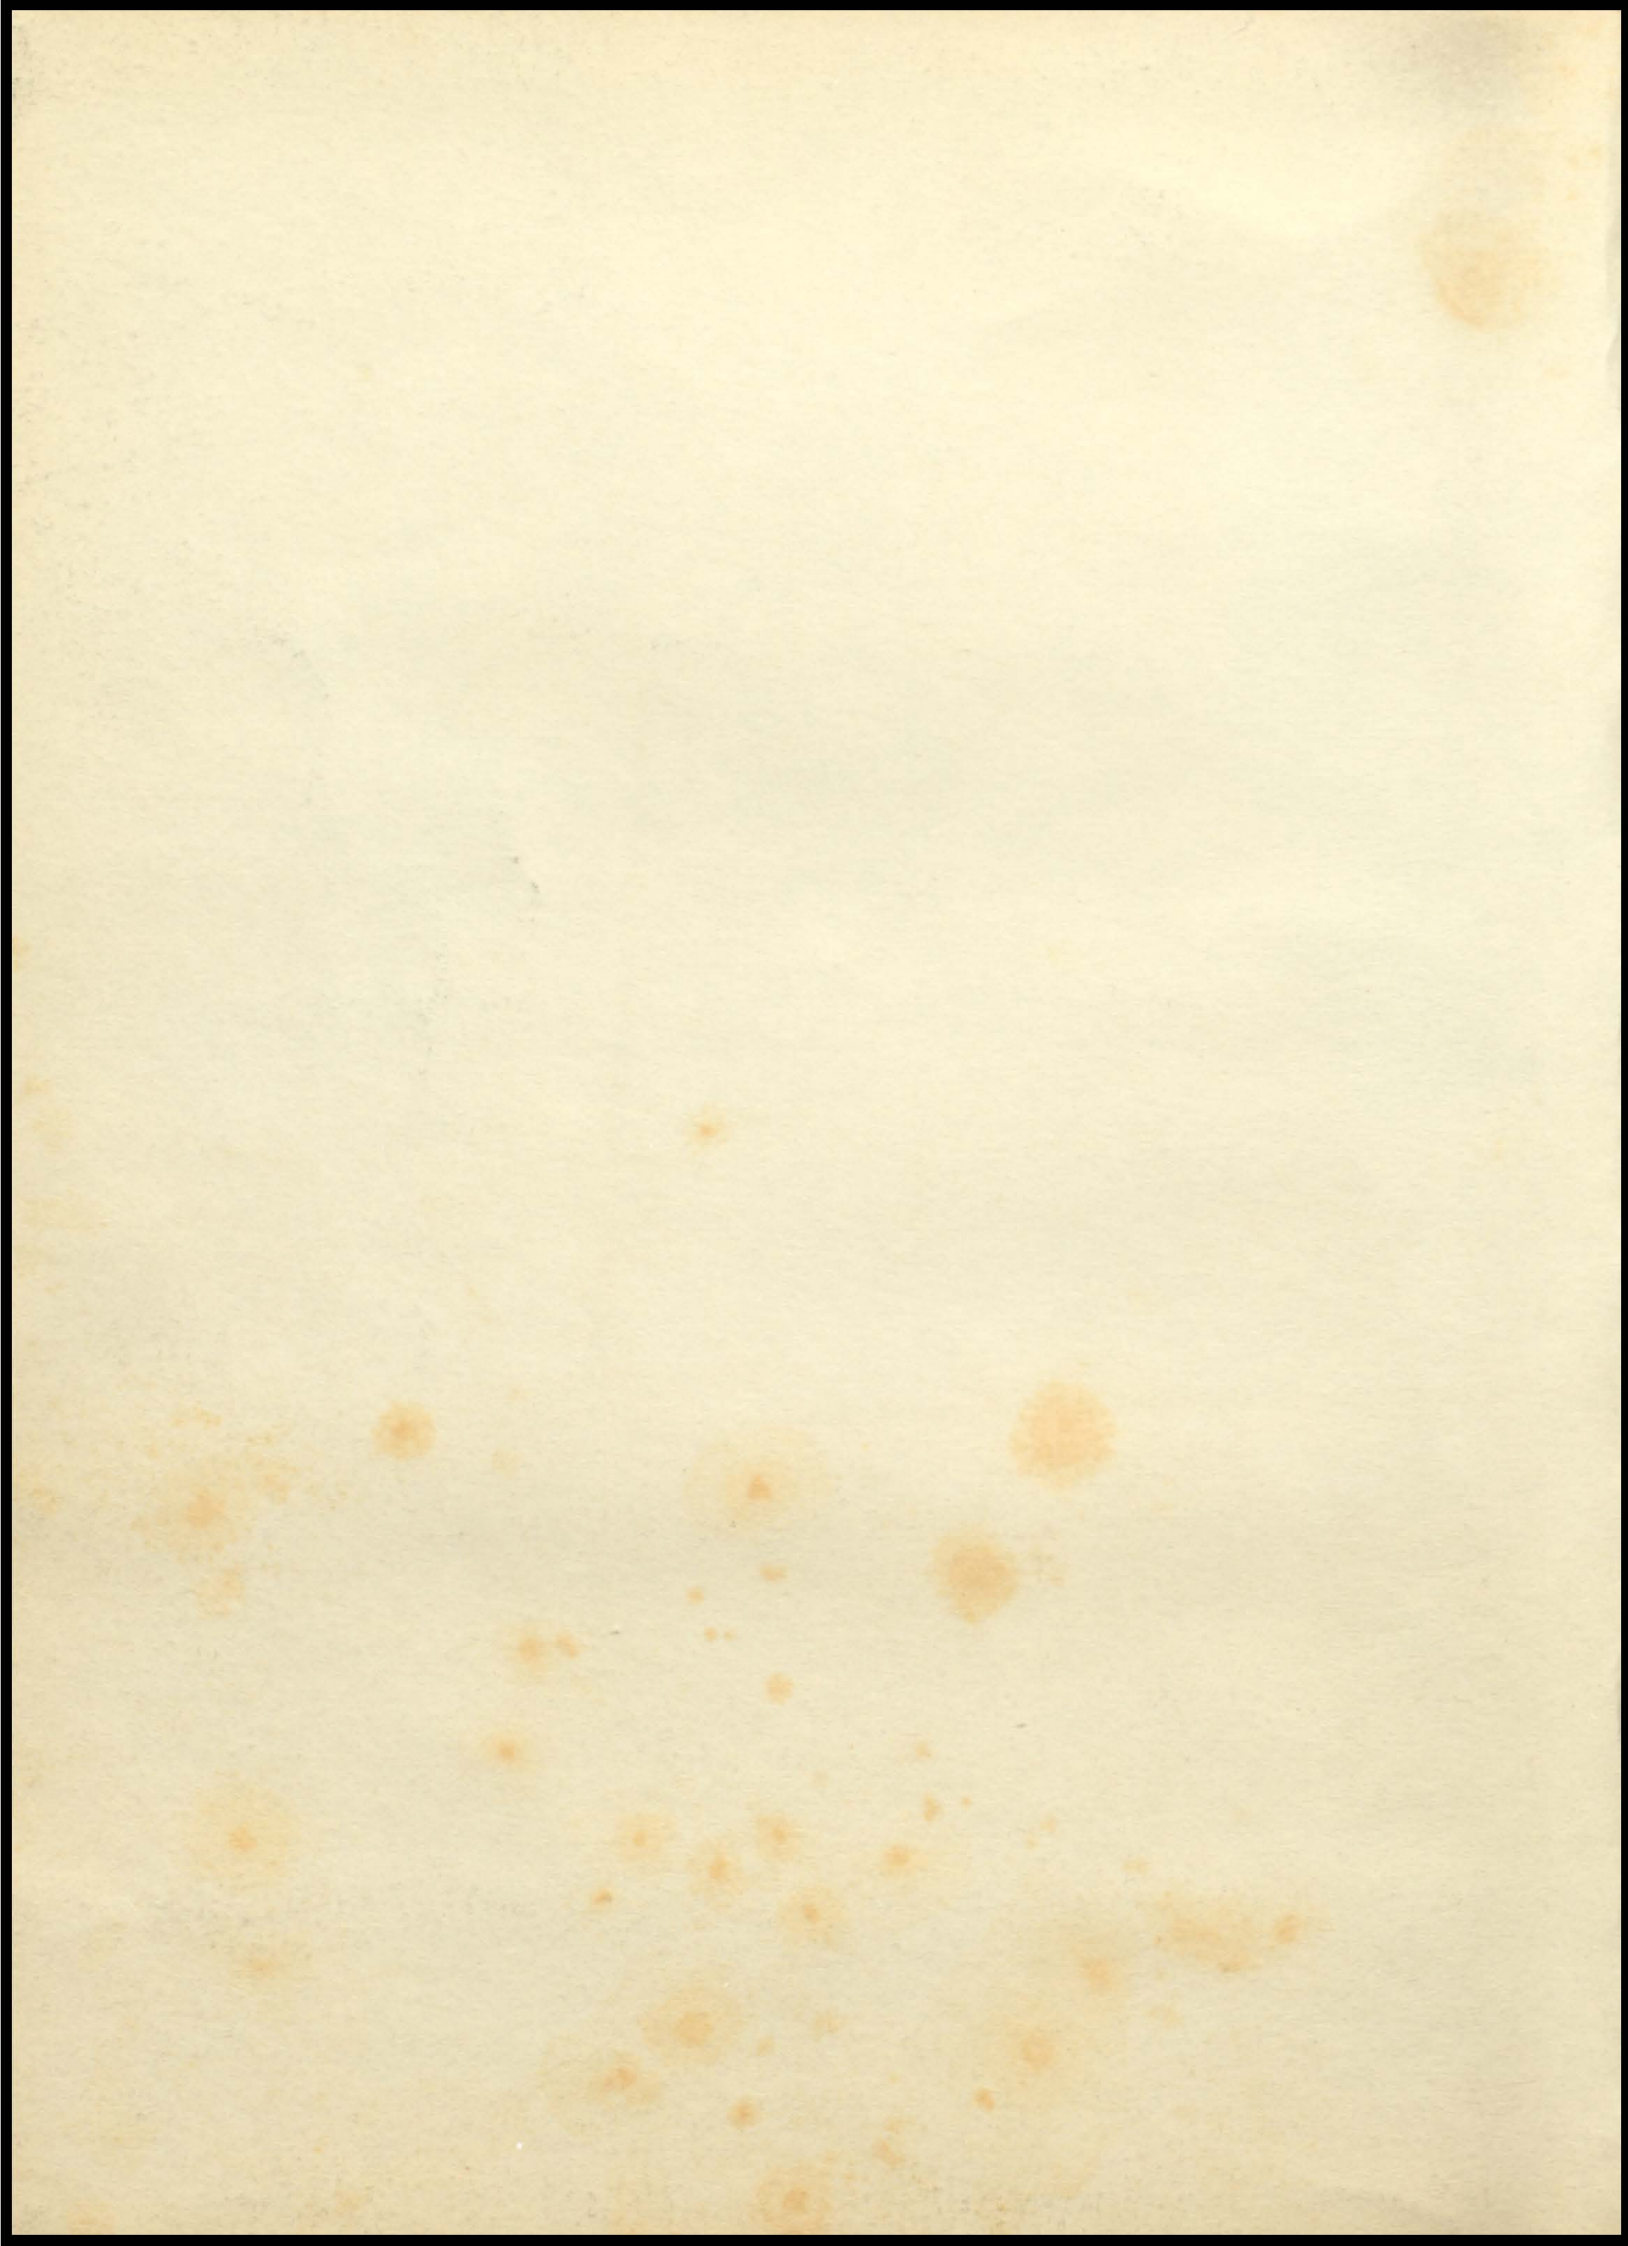

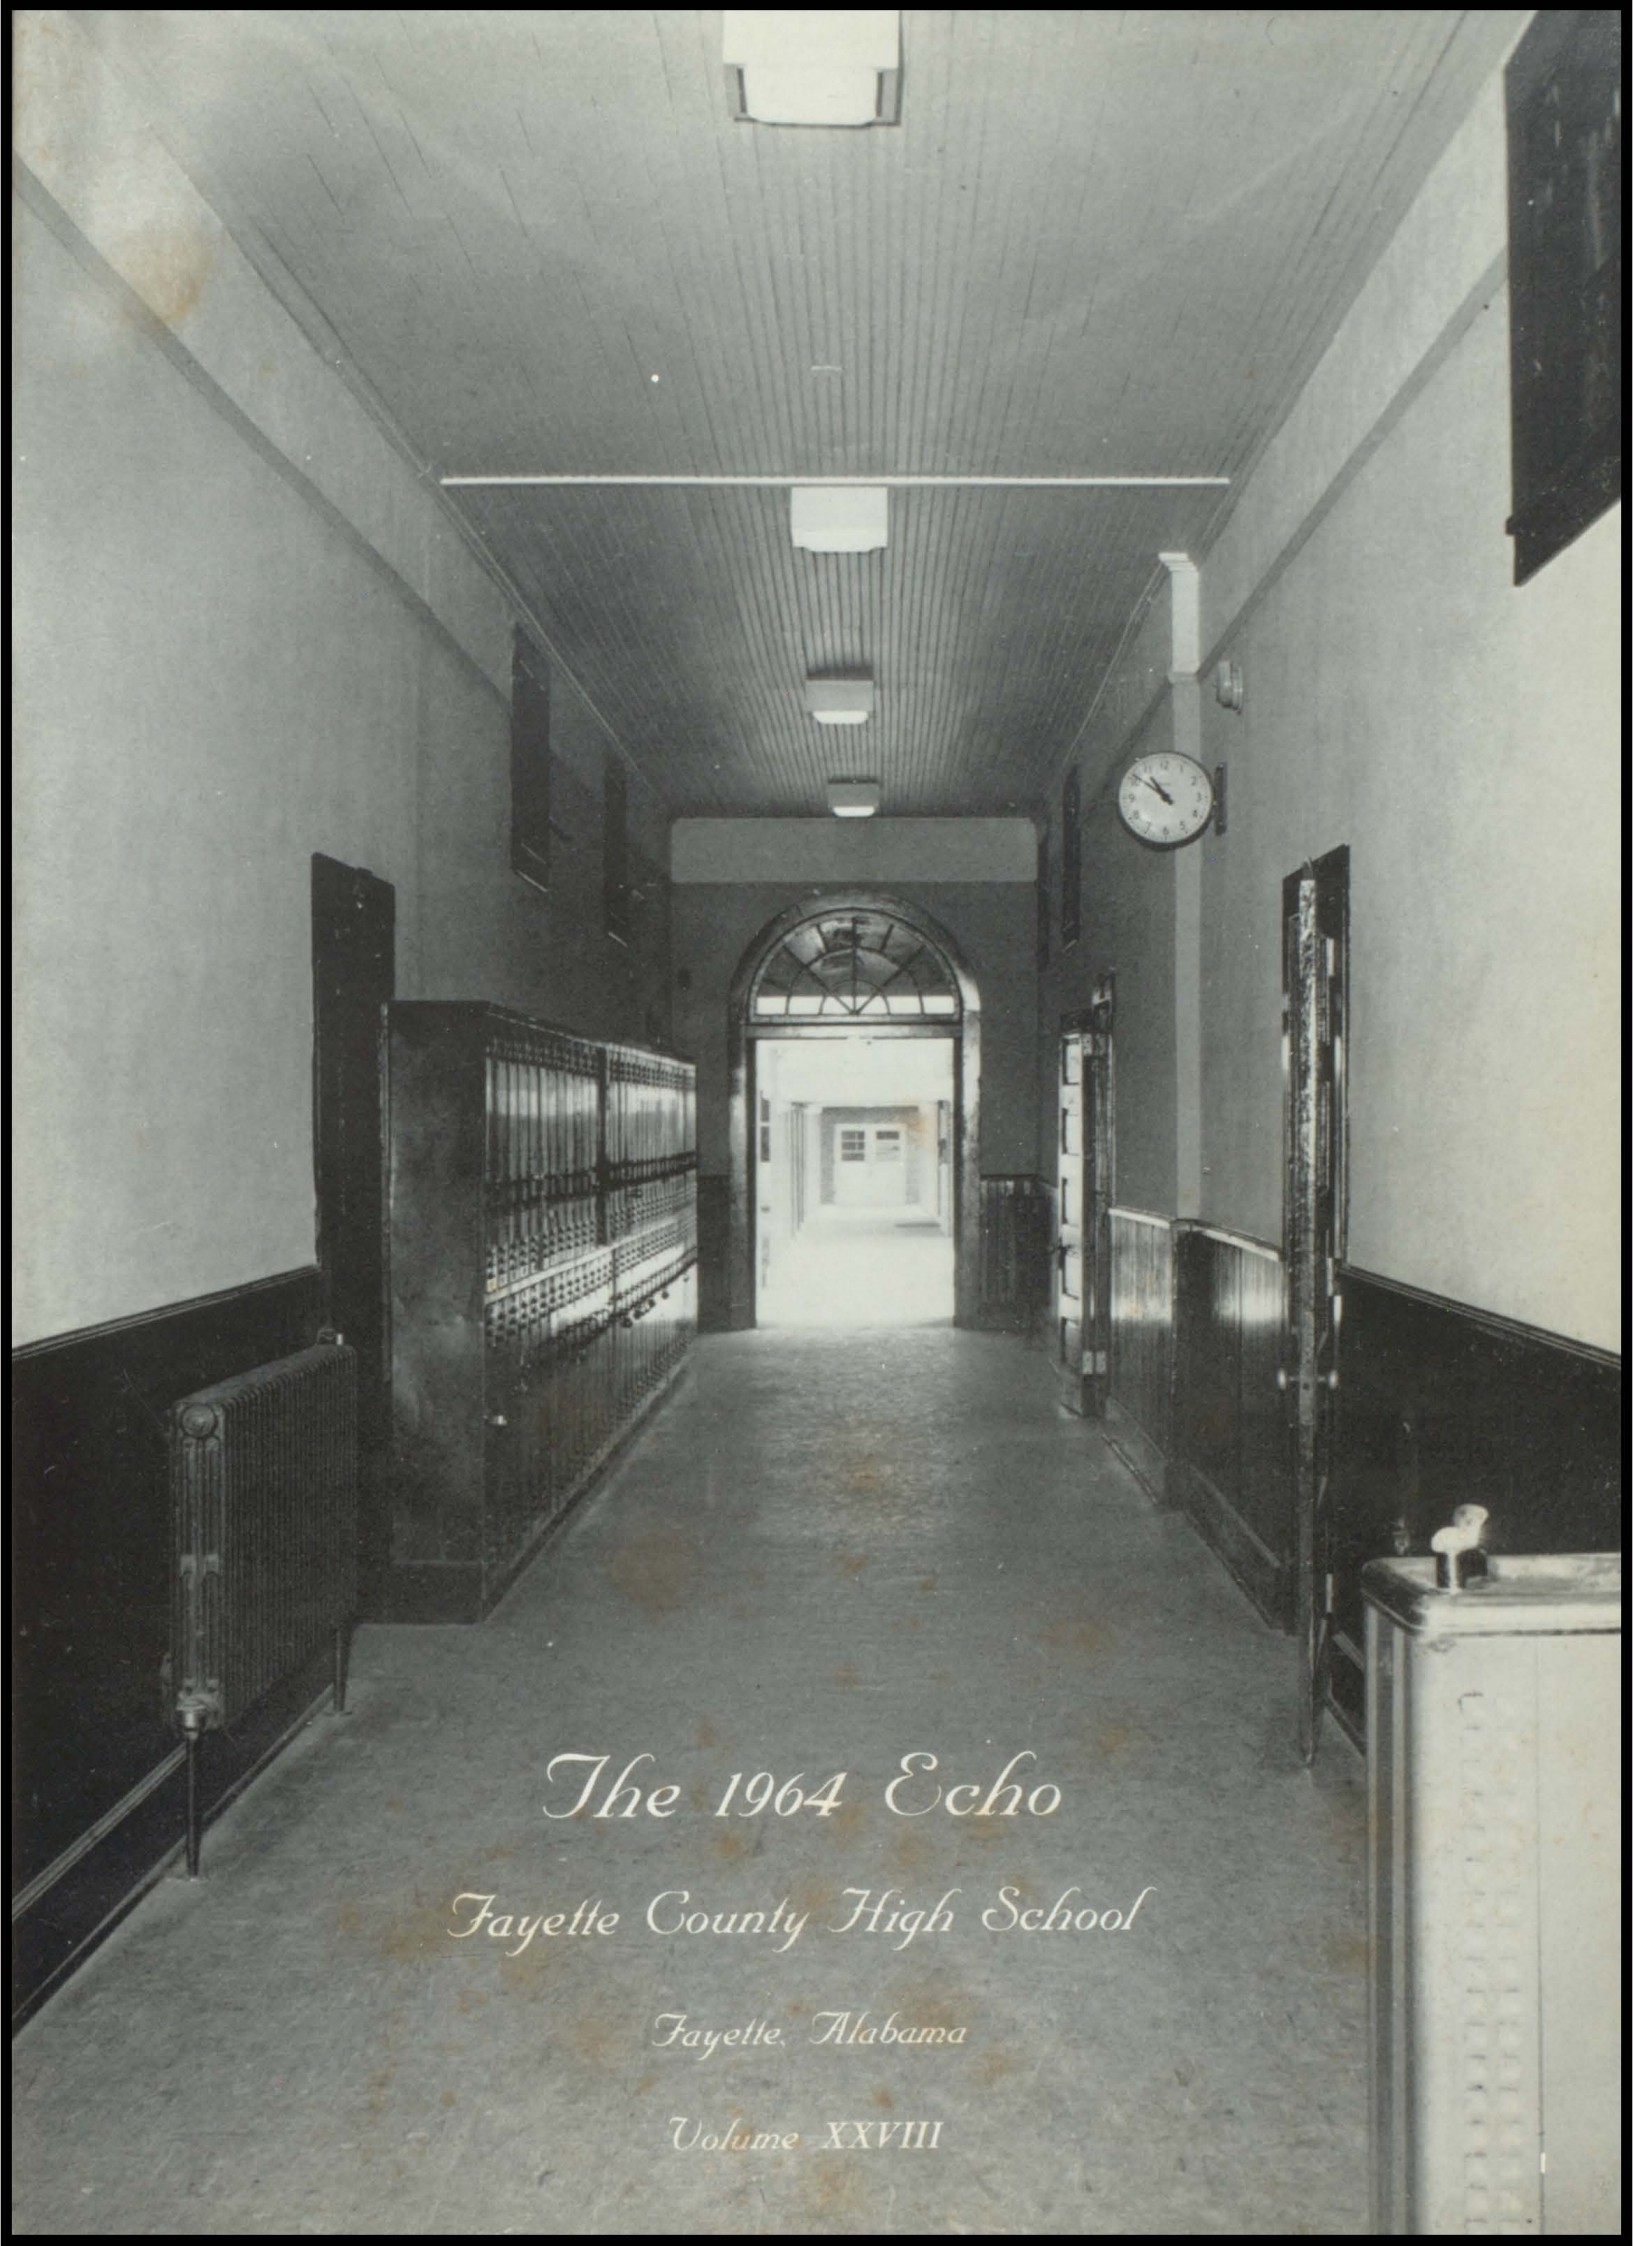

*The 1964 Echo*  
*Fayette County High School*  
*Fayette, Alabama*  
*Volume XXVIII*

## *Foreword*

The pathways through high school are memorable ones. We hope that through the 1964 Echo, we have characterized the varied goals set by those who have traveled upon these pathways.

There are many barriers to be overcome. Nevertheless, if these objectives are kept in mind, all difficulties can be surmounted.

Reluctant to leave the campus on which we have spent our high school years, we anticipate the ever-increasing facets of life. We will carry this volume with us throughout life as a symbol of the hope that our years to come will be spent as happily and as confidently as those recorded here.

With the earnest desire that it will mean as much to you, the Senior Class of 1964 presents Volume XXVIII of The ECHO to the student body of Fayette County High School.

## *Dedication*

It is our privilege to pay tribute to you, Mr. Bobo, who have become such a genuine part of Fayette High through your consideration of those with whom you are associated. Your outstanding devotion to promoting loyalty to the school and good will among the students is inspiring. By encouraging us to develop our talents and abilities, you have made our lives more enjoyable.

Our band could never have attained its superiority without your ability and guidance. Your music will echo through the halls of your Alma Mater as your laughter will echo through the minds of those who have known you.

Therefore, with deep respect and deeper affection, we, the Senior Class of 1964, dedicate Volume XXVIII of The Echo to you, Mr. Jerry Bobo.
