THE ECHO

The 1966 Echo

Fayette County High School
Fayette, Alabama
Volume XXX

Foreword

The Echo opens. Our trail stretches ahead. We look backward and see the winding road that has brought us here. We look forward toward a limitless future waiting just around the bend. Gratefully we remember those who first tread Fayette County High School's path. They established her traditions and blazed the trail for us. Humbly we pick up our packs and walk purposefully onward. There is much that still must be done. We the Echo Staff of 1965-66 present Volume XXX of the Echo to the Student Body.

In Memoriam

Mr. John Morgan Brown

In the 34 years Mr. John Morgan Brown served at Fayette County High School as a teacher and a principal, he has inspired many with his expert advice and his friendly attitude toward everyone. We, the senior class of 1966, have had the honor and the privilege of serving under him for the last five years of his teaching career.

Mr. John Morgan Brown will no longer walk the corridors of Fayette County High School. We shall never hear his jolly voice or see his beaming face again, because as the light of a new year began his light was dimmed and put out. Although our hearts are saddened and our sorrows are many, his memory will be everlasting in our minds and in our hearts.

With deep appreciation we, the senior class of 1966, dedicate this 30th volume of the Echo in memory of Mr. John Morgan Brown, for his service and his never-ending interest in the students and activities of Fayette County High School.

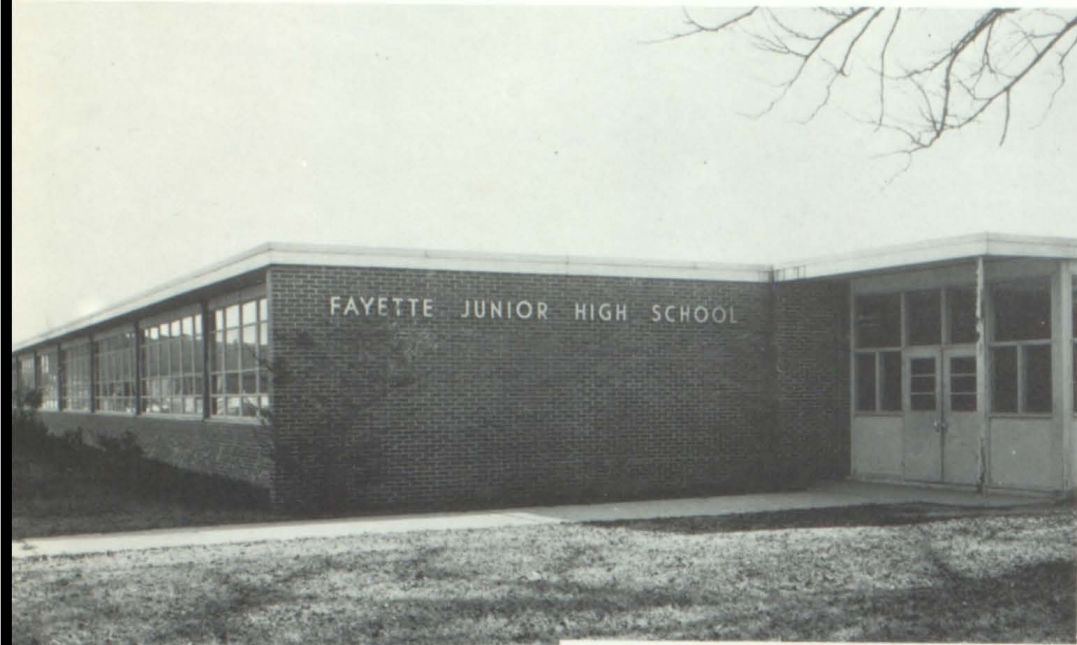

Dedication

Mrs. Cora Lee Brown

We, the senior class of 1966, proudly and affectionately dedicate the Echo, Volume 30, to Mrs. Cora Lee Brown. You have inspired students with your fine musical ability and wonderful personality. You are a person who strived for perfection but always had concern for the individual in mind.

Principal

Mr. Brooks Jones

MR. BROOKS JONES

Mr. Brooks Jones, our new principal of Fayette County High School this year, is a native of Lamar County and attended school in that county. He served in the U. S. Marine Corps from June, 1942, to 1946. He received his Bachelor of Science degree from Florence State College in 1951. He was awarded the Master of Arts degree from George Peabody College in 1955.

Mr. Jones was football coach at Sulligent from 1951 through 1956, at Vernon from 1957 to 1960 and since that time he has been principal of the Choctaw High School in Butler.

Mr. Jones in his first year as principal has maintained good discipline and showed excellent ability in handling his job and responsibilities. He has shown interest in not just the school but in the individual student also. He instills in the school the want for learning and the pride in putting forth the best effort a student can maintain. We feel that he is a great asset to the school and we hope that he will be helping students for many years to come.
