THE 1971 ECHO

Fayette County High School

Fayette, Alabama

VOLUME XXXV

FOREWORD

A school building is constructed of steel and cement, strong and permanent, but it is designed to accommodate an ever-changing flow of students. Year after year buses empty their loads each morning, and people stream in waves into the hallways and classrooms. To the rhythm of bells, tides of people wash in and out of the rooms and corridors and finally back to the buses, leaving the building empty. Carl Sandburg in his poem "Skyscraper" says, "It is the men and women, boys and girls so poured in and out all day that give the building a soul of dreams and thoughts and memories." As each individual forms a part of the mass, so each personality contributes to the whole of F.C.H.S.'s soul - that abstract thing we call school spirit. The Echo Staff presents this abstract collection of people and events which filled our school year.

ADMINISTRATION

Dear Students,

You stand today on the threshold of knowledge just as you have stood on many occasions before.

The threshold of learning is available to all of us. To the young it is a challenge to accomplish and prove to the world that there is a place for everyone. To the more mature, it is an opportunity to make for a fuller life. We will all want to step over the threshold of knowledge many times, for there are many thresholds in the life we lead, and no better time than the present for really beginning our work. Never before in the history of man have there been so many opportunities, and good fortune will present itself to us over and over if we are receptive.

Let us renew our efforts to step right along, to meet each new challenge of the day. Be inquisitive about everything you encounter, whether you are in school, at work, or at play. You may find new interests presenting themselves to you in various ways and out of this you may find your life's work. There are too many interesting events and pastimes to close your eyes and trudge along oblivious to the surroundings. Make time for learning, but plan your pleasures too. The threshold of time accompanies the threshold of knowledge.

That one step may lead you to the top where you can survey everything clearly and find the final results hidden in the clouds beyond. The goal we reach for is firmly established but it is not best that we know too far in advance the attainment of the future.

Sincerely yours,

Brooks Jones

HONORS

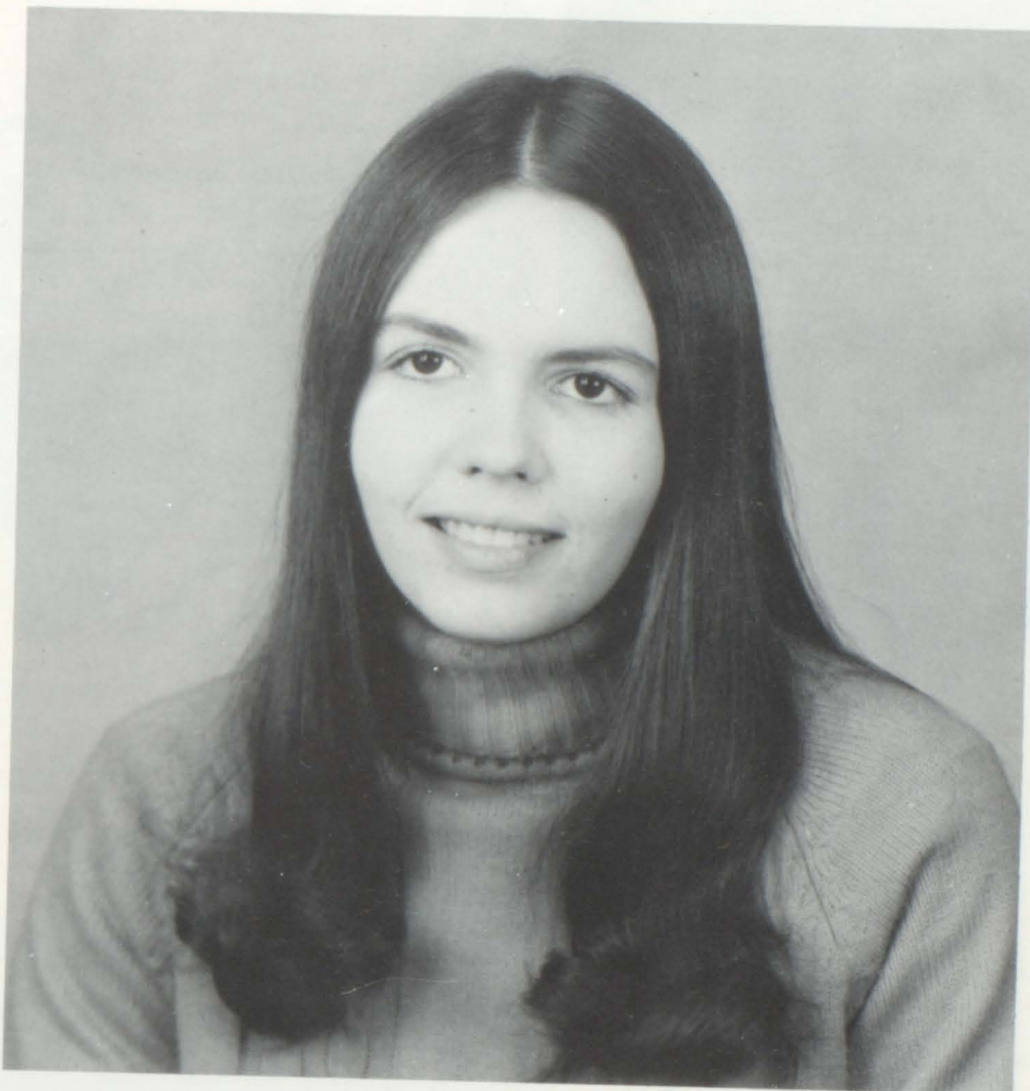

VALEDICTORIAN

ALVA M. GRIMSLEY III

Alva Grimsley has been a leader in school activities throughout his high school years. As secretary-treasurer of the senior class Alva has earned the trust and admiration of his fellow students. Some of the clubs and activities Alva has participated in are: Math Club 9-12, Vice-President 11; Usher's Club 11-12, Secretary 12; Spanish Club 9-12; National Honor Society 11-12, President 12; Merit's Who's Who Among American High School Students; Echo Staff Editor 12; Student Council 10-12; Secretary-Treasurer of the Junior Class; Sr. Who's Who, Most Intelligent, and Most Likely to Succeed. Alva certainly deserves the congratulations of the faculty and student body on his many accomplishments.

SALUTATORIAN

SUSIE JANE ROBERTS

Jane Roberts is not only an outstanding student but a fine musician as well. Besides being chosen Most Intelligent and Most Likely to Succeed in the senior class, Jane is also Senior Class Poet. Her activities include: Band 9-12, All-State Blue Band 11; Solo and Ensemble Contest, Superior, 12; Science Club 11-12; Spanish Club 9-12; Math Club 10-12; Student Council 11-12; FTA 11-12; National Honor Society 11-12; Echo Staff associate Feature Editor 12. Congratulations Jane on achieving the salutatorian award.

NATIONAL MERIT FINALIST

Guidance Counselor, Mrs. Davis, presents award of achievement to National Merit Finalist, Thomas Faller.

For the second consecutive year, one of Fayette Co. High School's students has achieved the status of Finalist in the National Merit Scholarship program. Thomas Faller has received a certificate of Merit and he is under consideration for one of the 3,000 Merit Scholarships each carrying a stipend of \$1,000. This is a very high honor because only one-half of one percent of the graduating secondary school seniors in the United States reach the level of Finalist. Congratulations Thomas!

SHIRLEY GARRISON DESIGNS FAYETTE FLAG

Shirley Garrison designed the winning flag for the city of Fayette in the contest for the Sesquicentennial Celebration sponsored by the Fayette Historical Society. The flag consists of a shield with three parts.

The pine cones and needles at the top represent the lumber industry in Fayette's past and present. The cotton boll represents agriculture. The wheel represents industry, and the lamp represents the lamp of knowledge. The date, 1821, is the date of Fayette's incorporation.

Shirley received a lifetime membership in the Fayette Historical Society and a gold award. FCHS is very proud of her.
